John Glenn Elementary School

The staff at the John Glenn School want to congratulate all of the 5th grade students who have worked extremely hard this year to make 5th grade a very a positive and memorable year. We are all excited about their promotion ceremony which will be held on June 19th. Ms. Gallagher will be handing out the Linda Zalusky Caring Award and two citizenship awards.

The anger management groups that were held from March until present are winding down, and the students who participated have learned some valuable techniques to cool down when anger flares, and how to build positive relationships with teachers and classmates!! Way to go students!!

Ms. Gallagher administered a new School Climate survey to 34 students at random from grades 3-5 using Survey Monkey! The results indicate that students like coming to the Glenn School. Also, students feel safe in their school, teachers care about them, and that bullying cases are taken seriously and are handled promptly and efficiently. "Survey Says " students are proud to be Glenn Gators!!

We look forward to a new school year in September, 2015. Ms. Gallagher will start the Good Character Group in which students will explore the 6 pillars of character education.
